Southwestern Medical Center's mission is simple: Making Communities Healthier®. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are providing quality care close to home and investing in our region's overall well-being. Your support allows us to continue to enhance the many ways we serve and care for Lawton and the surrounding region today and for generations to come. Thank you.

## In 2019, we...

...added 32 providers

**Inviting the best possible providers** into our community and supporting them is essential to ensuring access to high quality care. This year, we added providers in heart care, orthopedic surgery, emergency medicine, anatomical pathology, pediatrics, behavioral health and radiology.

...made more than \$2 million in capital improvements

**By continually investing in our facilities,** we're helping to ensure that we continue to meet our community's healthcare needs. This year, we invested in a C-Arm for orthopedic surgery, GI equipment, lab analyzers and other facility improvements.

...distributed a payroll of \$47,795,583 to more than 570 employees

**We strive to create an environment** where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$22.6 million in services to those in need

**Delivering care to all of our neighbors,** regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$6,705,198 in taxes

**We are proud to be a leader in our region,** and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

**SWMC** Chaplain Services collected coats and other outerwear for the C. Carter Crane Shelter for the Homeless.

**SWMC** team members donated school supplies for students at Edison Elementary during the annual Red, White and Glue supply drive.
