Southwestern Medical Center is proud to be a part of Lawton and the surrounding region. As a leader in our community, we strive to provide the highest quality care possible—both inside and outside our hospital walls—and are committed to our region’s overall well-being. By creating places where people choose to come for healthcare, physicians want to practice and employees want to work, we are creating a legacy of care for today and generations to come. Thank you for your support.

— Elizabeth Jones, CEO, Southwestern Medical Center

In 2018, we...

...added 12 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high quality care. Last year, we added providers in primary care, urology, neurosurgery, gastroenterology, rheumatology, and general and orthopedic surgery.

...made more than \$4.1 million in capital improvements

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s healthcare needs. Last year’s investments included renovations to our behavioral health unit, a Hugs & Kisses infant protection system and an automated call back system to enhance patient safety and the continuum of care.

...distributed a payroll of \$42,956,838 to 575 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high quality care and service.

...donated more than \$7.8 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$1,218,599 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

SWMC is proud to support the annual Lawton Public Schools School Supply Drive.

SWMC opened the doors of a new primary clinic for the community in 2018.
